RE: \$5,000 payment for Astero weekly interent updates/website

This is for payment of the weekly online Basque news project of Astero (Basque for "weekly") and ongoing Euskara promotions.

OVERVIEW. This project is aimed to provide a resource for those who would like to remain abreast of current Basque news and information. While covering news of the Basque country and the larger Basque diaspora, this resource will concentrate on news of interest to Basque-Americans.

Whereas a multitude of websites are available in multiple langauges, the aim of this project is to serve as a gathering house of English based articles.

Communication remains one of our week points as a community, and this endeavor aims to amend this problem.
